Our Katrina experience was:

We were not prepared to come home and see that we no longer had a home.
It is totally gone, nothing remains & nothing salvageable. With Camile we
were able to repair our home. Katrina didn't leave us with that ease or
a task. She took everything that we possessed. Well almost everything.
We are Blessed to still have our lives. Everything else was just
material things. It can be replaced in time. Waveland is home to us and →

Write something special that you would like Santa to bring you or your family:

The most precious gift that my family could ever receive from Santa is a
new home on our property in Waveland. That would be a big order to fill.
So for my granddaughter, Kristina, I would like a trampoline, a computer
or a mini (pink) apple iPod for her.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

will always be. We want to come back & rebuild but do to lack of
adequate insurance & it's unwillingness to pay wind and 2 mortgages
it will be a hard and long road to travel. We don't have a job
because it was taken away by Katrina and our vehicles also with it.
Most of all we have our love and hope and that will
overcome all.

Marilyn
